

## **VISION, MISSION, VALUES, GOALS**

---

At Annual General Meeting on \_\_\_date\_\_\_\_\_ the Members of the Saskatchewan Section of The Alpine Club of Canada adopted the following Vision, Mission, Values and Goals. These are not new principles or beliefs for the Saskatchewan Section, but they have been gathered over the past years and articulated in this format for the first time.

### **VISION**

*Preserving, practicing and promoting Canadian mountain culture and self-propelled alpine pursuits.*

### **MISSION**

*The Saskatchewan Section of The Alpine Club of Canada fosters alpine experiences, knowledge and culture; promotes responsible access; and supports excellence in alpine leadership and skills.*

### **VALUES**

Values are fundamental principles and beliefs that serve as implicit criteria guiding all actions and decision-making. Saskatchewan Section members are committed to the following values:

- Fidelity to our mountain roots and Saskatchewan Section history.
- Faithfulness to the intrinsic value of the alpine environment to the human spirit; we believe this is best realized through alpine focused, self propelled recreational pursuits.
- Commitment to training & safety in outdoor pursuits.
- Devotedness to personal fulfillment in the outdoors - to our own end and in our own way.
- Responsibility for increasing our knowledge and understanding of outdoor environments, and our impacts upon them, so as to inform and guide our outdoor practices and stewardship efforts

### **GOALS**

Goals are ideal states to be achieved at some time in the future.

1. Be the club of choice for self-propelled outdoor enthusiasts.
2. Be a strong advocate for outdoor enthusiasts.
3. Strengthen the ACC's effectiveness in satisfying its stakeholders' needs.
4. Be a healthy and sustainable organization.
5. Be a leader in climbing, mountaineering and outdoor skills and leadership development.
6. Continue to assist the Alpine Club of Canada to be Canada's leader in providing backcountry recreational accommodation.
